

FALL CELEBRATION 2023

The city-wide Fall Celebration is on Friday, September 22 and Saturday, September 23 from 12pm to 5pm.

As you wander through the Houston Art Gallery Association (HAGA) member galleries, you embark on an enlightening journey, where each gallery offers a unique experience. From contemporary masterpieces that challenge traditional notions of beauty to thought-provoking installations pushing boundaries, HAGA encapsulates the vibrant diversity of artistry in Houston.

Member galleries transport visitors into the realm of abstract expressionism, where bold strokes and vibrant colors evoke raw emotions within. Others showcase installations that delve into the depths of the human psyche and societal constructs. Each space becomes a gateway to exploration and introspection—a place where artists curate their thoughts on canvas or through sculptural marvels, inviting us to challenge our beliefs and embrace new perspectives.

The energy is palpable as artists mingle with admirers, sharing insights and stories behind their creations. As you move from one captivating exhibition to another, you witness conversations igniting inspiration within viewers.

In this ever-evolving artistic landscape, HAGA serves as a beacon for both seasoned collectors and aspiring appreciators alike.

The member galleries are: Anya Tish Gallery, Bisong Art Gallery, Catherine Couturier Gallery, Deborah Colton Gallery, ELLIO Fine Art, Foltz Fine Art, Foto Relevance, G Spot Contemporary Art Space, Gallery Sonja Roesch, Heidi Vaughan Fine Art, Jack Meier Gallery, Koelsch Gallery, McClain Gallery, Mont Art House, Nicole Longnecker Gallery, Off The Wall Gallery, Redbud Arts Center, Sicardi | Ayers | Bacino, and Thornwood Gallery.

Admission is free and open to the public. Refreshments will be served. Some member galleries have extended days and hours for the event. Please visit HAGA's website for details: www.artgallerieshouston.com.

Our vision is to promote Houston as a destination for the arts. HAGA is a 501(c)(6) nonprofit organization.
